ACCRINGTON AND DISTRICT.

FORTY-FIRST

ANNUAL REPORT

OF THE COMMITTEE OF MANAGEMENT.

FOR THE YEAR 1938.

It is with deep regret that they have to record the loss of the late Alderman Bury, J.P., who was a generous supporter and for a long number of years rendered valuable service to the Institution as a member of the House Committee, and the Committee of Management.

The Committee extend their heartfelt sympathy to his widow and family in their sad bereavement.

ADDITIONS AND EXTENSIONS.

“ James Stevenson ” Memorial Wing :

As indicated a year ago, the scheme for providing two new Medical Wards containing twenty beds, which had for a considerable time been under the consideration of the Committee, took practical shape by reason of the munificent bequest of the late Mr. James Stevenson, of 30 Gynn Avenue, Blackpool, and formerly of Oswaldtwistle.

The erection and equipment of the buildings has since been completed and the Wards were opened for the treatment of patients on the 10th December last, by Mrs. Stevenson, the deceased gentleman's widow.

Needless to say, the addition of these twenty beds will entail largely increased expenditure, and the Committee's attention will be given in due course to the raising of further necessary funds to strengthen the maintenance account. Meanwhile, it is hoped the general public will show their appreciation of the Committee's enterprise and rally round them in their efforts to maintain and augment the efficiency of the Institution.

Nurses' Home Extensions :

It will also be remembered that when the last Annual Report was issued, the extensions to the Nurses' Home providing for the addition of fourteen beds together with sick ward for the nurses and the necessary bath-rooms, bay kitchens, etc., were then in progress. This work has likewise since been completed and the extended portion was opened by the Chairman of the Committee of Management, Mr. Frank W. Oldham, on the date mentioned in the preceding paragraph.

Boiler House Plant :

The Committee have for some time found it necessary to devote their attention to the Boiler House equipment and decided to instal a mechanical stoker for their No. 1 Boiler, together with other plant.

These additions have caused a somewhat heavy expenditure and it is hoped will lead to the greater efficiency of this Department.

They have since deemed it advisable to provide a similar installation for their No. 2 Boiler.

In carrying out the negotiations for the provision of this new plant, the Committee had the valuable assistance of Mr. Harry Heap, of the Accrington Brick and Tile Works, which they acknowledge with cordial thanks.

CIRCULATING LIBRARY.

It will be remembered that mention was made in the last Report of the fact that a Circulating Library had been established in the Hospital by the Accrington Branch of Toc H. Since then, this Organization has provided, at its own expense, a book case and a set of twelve bed tables and book rests. The Committee desire to tender an expression of their sincere thanks for these gifts.

LINEN LEAGUE.

Once again reference must be made to the excellent work of the ladies of the Linen League. In addition to providing various materials at a cost of £164 11s. 1d., and contributing £50 towards the cost of the staff uniforms, they supplied the whole of the linen required in connection with the Nurses' Home Extensions to the value of £110. It is pleasing to observe that the membership of the League increased from 574 to 647 during the year.

The Committee again desire to extend their warmest thanks to all associated with the movement.

TRIENNIAL ELECTION OF HONORARY SURGICAL STAFF.

The above election was held in April last, and a full list of the gentlemen appointed will be found at the beginning of the Report.

HONORARY MEDICAL STAFF: NEW MEDICAL WARDS.

The election of the first members of the staff for the "James Stevenson" Wards was held in July last, and the names of the gentlemen elected will also be found at the beginning of the Report.

ENDOWMENT OF BEDS AND COTS, Etc.

In the latter part of the Report a list will be found of the beds and cots which have been endowed since the Hospital was opened, together with particulars of inscriptions appearing on certain other tablets.

There is also given a list of contributions to the Endowment Fund.

ENDOWMENT FUND.

The amount now standing to the credit of this Fund is £58,762 5s. 10d., and additions during the year have been as follows:—

Gift from Alfred Hitchon, Esq., of St. Winifred's, Littleham Cross, Exmouth, Devon, £5,000 Aberdeen Corporation 3% stock; part proceeds of Accrington Grammar School Dramatic Entertainment, £109; legacy from the late Rev. Edmund Percival Gatty, £450; profit realized on Middlesbrough Corporation 6% Redeemable Stock, £26 18s. 11d.; Bank Interest, £7 9s. 5d.

It will be observed that included in the items added to this fund during the year there is a gift of £5,000 of Aberdeen 3% Stock, from Mr. Alfred Hitchon, of Exmouth, former Managing Director of Messrs. Howard & Bullough Ltd., Globe Works, Accrington. This Stock will return an income of £150 per year and added to the gift of Mr. and the late Mrs. Hitchon in 1916, of £2,000 in Shaws' Glazed Brick Co. Ltd., which yields a dividend of £200 per annum, the total income from these gifts is £350 per annum, or, as Mr. Hitchon himself put it, "round about £1 per day."

Mr. Hitchon, who has been in communication with the Chairman and Officials for some time past, has been impressed by the necessity for increasing the income required by reason of the addition of the new medical wards.

Needless to say, the Committee, who congratulated him on recently attaining his 91st birthday, tender to Mr. Hitchon their very grateful thanks for his renewed munificent recognition of the needs of the Institution.

Since the accounts for 1938 were closed, we have been notified by Mr. Hitchon that he has obtained a further £1,000 of 3% Aberdeen Stock, which will be presented to the Hospital at the appropriate time.

BUILDING FUND.

The total assets under this head are now £70,510 15s. 10d. The amount received during the year from the Trustees of the late Mr. James Stevenson was £7,639 4s. 6d., and has been expended on work in connection with the new Wards. A legacy of £500 from the late Mr. Jabez Clark and the balance of the legacy left by the late Mrs. Kellaway, amounting to £561 os. 2d., were placed to the credit of this account. Additional expenditure on the "Stevenson" Memorial Wing amounted to £8,151 14s. 6d.; a balance of £172 17s. 11d. was paid in connection with the new corridor and canopy; and a further sum of £2,249 10s. 10d. was expended on the Nurses' Home Extensions.

CONVALESCENT FUND.

The income of this Fund consisted of interest from investment, £63; contribution from patient, 10/-; bank interest, 7/1.

The cost of sending and assisting patients to go to Convalescent Homes amounted to £51 2s. 0d., and there was a balance at the bank at the end of the year of £3 14s. 0d.

CONTINGENCY LIABILITY RESERVE FUND.

As was pointed out last year, it was deemed prudent to create a Contingency Liability Reserve Account in view of the requirements of the near future, and although this account has not been very largely drawn upon during the year under review there is no doubt that the expenditure in 1939 will be much heavier and a further addition has accordingly been made to meet the anticipated increase.

REVENUE ACCOUNT.

The income side of this account shows a total of £10,556 5s. 10d., and an expenditure of £10,255 14s. 4d., there being a balance in hand and at the bank of £300 11s. 6d.

Annual subscriptions were £1,103 1s. 10d., against £816 9s. 10d.; Donations, £501 15s. 1d., against £321 11s. 4d.; Workpeople's Contributions, £5,220 10s. 2d. against £4,282 19s. 5d.; receipts from the Accrington Education Authority, £84 17s. 6d.; Congregational Collections, £79 3s. 3d., compared with £78 8s. 11d.; Entertainments, etc., £465 14s. 11d., as against £637 8s. 3d. Payments received under the Road Traffic Acts, £203 10s. 10d., as against £203 3s. 10d.; whilst receipts from interest and dividends were £1,972 11s. 8d., including reclaimed income tax. Receipts from patients' payments increased from £393 11s. 6d. to £450 16s. 3d. Flower Day Street Collections declined from £119 9s. 1d. to £89 0s. 9d.

On the expenditure side there was an increase of £84 15s. 0d. in the cost of provisions, £156 19s. 10½d. under the head of "domestic", and £210 9s. 11d. more was paid in salaries.

Early in the year it was necessary to increase the Nursing Staff in order to cover the duties consequent upon the reduction of working hours by an average of five and a half hours each per week.

The Committee once more desire to express their most grateful thanks to all subscribers, to the organizers of the several Workpeople's Hospital Funds, the Linen League, the various organizations of a social character, and the supporters thereof, the Directors and Staffs of places of entertainment who have helped the Institution, and to all others who have, in any way, assisted in the good work.

* In 1919, Alderman Barlow presented £119 5% (now 3½%) War Stock, the interest on which takes the place of an Annual Subscription.

† To be considered each year.

‡ This represents the dividend on the £2,000 worth of shares in Shaw's Glazed Brick Co. Ltd., presented by Mr. Hitchon and his late wife in 1916, the total dividends received therefrom since the date of the gift thereof having exceeded the nominal value of the shares.

§ This represents the first half-year's dividend on £5,000 Aberdeen Corporation 3 per cent. Redeemable Stock 1953-1963, recently presented by Mr. Hitchon.
